

NEW YORK STATE BOARD ON ELECTRIC  
GENERATION SITING AND THE ENVIRONMENT

CASE 15-F-0122 - Application of Baron Winds LLC for a  
Certificate of Environmental Compatibility and  
Public Need to Construct a Wind Energy  
Facility.

NOTICE INVITING PUBLIC COMMENT AND  
ANNOUNCING PUBLIC STATEMENT HEARINGS

(Issued March 10, 2023)

Public comment is invited concerning separate petitions filed by Baron Winds LLC (Baron) to amend and to transfer to Baron Winds II the Certificate of Environmental Compatibility and Public Need, with Conditions (Certificate) issued to Baron by the New York State Board on Electric Generation Siting and the Environment (Siting Board).<sup>1</sup> The Certificate authorized the construction and operation of a 242 megawatt commercial-scale wind energy facility located in the Towns of Cohocton, Dansville, Fremont, and Wayland, in Steuben County, New York. An amendment to the Certificate was approved by the Siting Board on May 6, 2020.<sup>2</sup>

On September 6, 2022, Baron filed its second petition to amend (Amendment Petition) the Certificate. The Amendment Petition requests approval to revise the portion of the project located primarily in the Town of Fremont, with facility components in the Towns of Dansville and Cohocton, known as Phase II. Specifically, Baron proposes that the Phase II project consist of 26 wind turbines of approximately 650 feet in height, additional collection lines, additional access roads, a

newly proposed collection substation, point of interconnection facilities, construction/staging laydown yards, meteorological towers, and other facility infrastructure and components.

On September 6, 2022, Baron also filed a petition to partially transfer (Transfer Petition) the Certificate to a newly created entity known as Baron Winds II.

The Siting Board may approve, in whole or in part, the relief requested in Baron's Amendment Petition and its Transfer Petition, or may modify or reject one or both petitions. In reaching its determination, the Siting Board will consider input from the public and participating parties. An Administrative Law Judge will preside over the public statement hearings and will oversee the collection of public comments related to Baron's petitions to amend and to transfer the Certificate for the Phase II Project.
