

## Public Input Opportunity

Dear Community Leader,

For those unable to attend the in-person public input sessions last week, there's still a chance! We are collecting public input via email through Monday, June 19<sup>th</sup>.

Click the link below to provide feedback on key initiatives the County could take related to critical issues such as broadband, Infrastructure (Water, Sewer, Electric, Gas, Roads, and Bridges), Workforce Development, Economic Development, Housing, Agriculture, Farmland Preservation, and Food Systems, Transportation (Air, Rail, and Public Transit), Recreation, Parks, Trails, and Tourism, and Sustainability and Resiliency.
